

KIDS ARE WORTH IT![®] Conference

PREVENT CHILD ABUSE KENTUCKY.

14th Annual Kids Are Worth It![®] Conference

Lexington, Marriott Griffin Gate
August 30-31, 2010

FEATURING LESRA MARTIN

Lesra Martin was once an inner city kid dismissed by society, yet his heart carried hope and courage. He effected profound change in the lives of many, including his own. "Young Lazarus," Coretta Scott King once noted, "will win your heart."

Lesra Martin's heartrending story has mesmerized and inspired millions through the major Hollywood feature "The Hurricane". Its' star, Denzel Washington, marveled over Lesra's real life odyssey from a poorly educated Brooklyn teen to a respected prosecutor with university degrees. For more information on Lesra, please visit www.celebritylectureagency.com. To learn more about the conference, log on to www.pcaky.org
