

KID-FRIENDLY ACTIVITIES

PERFECT FOR DADS

Read a Book

Take a trip to the local library or bookstore and allow your child to pick out a book, you can read with them! Rather it is a book about princess, superheroes, or animals; reading will help to develop your child's brain and teach you more about their interest!

Cook Together

Whether you take the time to cook dinner or bake cookies with one another, cooking with your child is a great way for you to bond while having fun. After your meal is made, sit down to eat with one another and the enjoy conversation!

Teach Them a Sport

Teaching your child a sport can allow for the opportunity to share something you love doing or to encourage them in something they have interest in learning!

Have a Game Night

Grab your child's favorite board games or video games and spend the afternoon/evening playing it with them. Craving out time to play a game they enjoy and good at, can help promote confidence and laughter within the home!

Explore the Outdoors

Take the opportunity to go outdoors to hike or camp with your child! You can go for a walk around your neighborhood, go to the playground at a local park, or set up a tent in your backyard!

Craft With Them

Children have creative minds. Starting a craft with them, rather it be finger-painting or building something, will allow them to share that imagination with you!
